

Grin and Share It!

Positive Fundraising for Schools

Grin and Share It! is a fun and simple fundraising opportunity that Grins Enterprises is proud to make available to schools and school-related organizations. Grins is about fun, optimism and positive attitudes. With that in mind, we like to call our fundraising team members Ambassadors of Happiness. Getting started is easy:

Set. What can Grins help you accomplish? You'll need to set a realistic goal for fundraising and get motivated. Choose a Project Coordinator to lead your effort and handle all paperwork. Determine start and end dates for your sales period (We recommend no longer than four weeks.). Now get excited. Who wouldn't want to walk around spreading Grins?

Sell. Ambassadors of Happiness will sell 12-packs of Grins to everyone they know who could use a Grin (And who can't?). Schools will pay only \$10 per case, and will sell them for \$18 per case. Grins will provide order forms and advertising materials. All order forms will be returned to your Project Coordinator at the end of your sales period. Your Project Coordinator will then complete the End-of-Sale Order Summary, which will be submitted to Grins.

Share. Grins will deliver cases to your school within 3 to 4 weeks of receiving your End-of-Sale Order Summary. We suggest you establish a distribution center in a room like a gym, cafeteria or auditorium where it will be easy to get organized. How you deliver your Grins is up to you. You could deliver to customers in funny costumes that will make them laugh, or you could host a fun pick-up event to give your supporters even more reasons to Grin.

In the end, we just want to help you keep doing what makes you Grin.
